

Licensed Nursing Assistant (LNA)

Are you looking to take the first step in your healthcare career?

Do you enjoy caring for others?

The Career

As an assistant to nurses, LNAs will have the skills to:

- perform activities of daily living in a professional manner
- provide direct patient care
- effectively communicate
- understand infection control procedures
- perform safety and body mechanics
- comprehend legal and ethical issues

The Program

The LNA Program is a starting point in the Nursing field. This is a fast-paced 7 week course.

Many LNAs use the knowledge and experience they have gained working in healthcare to gain entrance into competitive LPN and RN degree programs.

The program consists of:

- 40 hours of Classroom Instruction
- 60 hours of Clinicals
- 24 hours of Lab-based Skills

By successfully completing the training program, the student will be prepared to sit for the state certification examination and submit their Board of Nursing LNA license application.

The LNA Program is currently offered at our Keene and Lebanon, NH campuses.

1 College Place, Claremont, NH 03743
88 Winchester Street, Keene, NH 03431
15 Hanover Street, Lebanon, NH 03766

Job Opportunities

Upon completion of the Licensed Nursing Assistant Program, students are qualified to sit for the Credentialing License Examinations. The RVCC LNA program has full approval from the New Hampshire Board of Nursing. Graduates may obtain employment in a variety of different settings including (but not limited to):

- Hospitals
- Nursing and Home HealthCare Facilities
- Government Assisted Living Facilities
- Retirement Communities
